Warren Taylor

Associate

Warren has several strings to his bow as he is an experienced Health & Safety Site Manager, Project Manager, Site Manager and a Warehouse Automation Expert within his 28 years of work, finalising in several large completed projects in the private sector.

In his time he has covered many disciplines in automation, construction, contracting and procurement. Work has included major refurbishment and total automation projects exceeding £10M+ as well as controlling dangerous works within a warehouse racking system.

Warrens' latest Projects were:-

- £7M RACKING AND STOCK RECOVERY PROJECT FOLLOWING A PARTIAL COLLAPSE – ASDA
- £13M HANGING GARMENT UPGRADE PROJECT – ASDA GEORGE LYMEDALE
- £10M+ AUTOMATION AND HANGING GARMENT UPGRADE PROJECT – ASDA GEORGE BRACKMILLS
- £10M AUTOMATION PROJECT – ADAMS CHILDRENSWEAR
- MANY SMALLER WAREHOUSE PROJECTS AROUND THE COUNTRY FROM RACKING INSTALLATIONS TO CREATING COMPLETELY NEW SITE LAYOUTS – ASDA, NORBERT DENTRESSANGLE

Warren will act as Site Health & Safety Manager / Project Manager assisting as part of the team of resource ensuring that all projects are in compliance with the current CDM regulations 2007.
